D.O.No.F.16-28/2009-DL

12th February, 2010

Dear Sir / Madam,

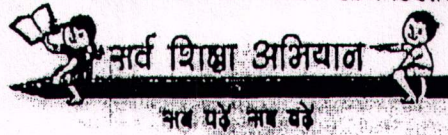

Kindly refer to my letter No. 16-3/2009-DL, dated 21st August, 2009 [copy enclosed] regarding Optical Fibre Cable (OFC) based 1 Gbps connectivity to National Knowledge Network (NKN) Point of Presence (PoP) to all the bonafide Universities in the country under the National Mission on Education through ICT (NME-ICT) on a 75 : 25 cost sharing basis between the Central Govt. and the Universities concerned, which includes university level institutions. You would be glad to know that BSNL - MTNL combine has started the work in this regard. This is in addition to the already ongoing work of progressively providing 10 Mbps Broadband over Virtual Private Network (BBoVPN) to all the bonafide Colleges of the country through upto 20 individual connections over copper wire with ADSL modems on 75 : 25 cost sharing basis between the Central Govt. and the respective Colleges. You are also aware that 25 % contribution of the University and the College has to be paid by them to the BSNL directly. As indicated earlier, the approximate one time upfront payment for each University works out to Rs. 50 lac plus service tax for the connectivity for a 10 year period and Rs. 10 lac plus service tax for setting up a Local Area Network (LAN) of 400 nodes, if required by the University. In case of Colleges, approximate quarterly payment works out to Rs. 6500/- only. BSNL, on its part has agreed to provide 10% rebate on cost of connectivity.

2. As the connectivity is the key to delivery of e-contents and collaboration between institutions / academicians / experts / researchers, in order to fast track the roll-out of connectivity to Universities and Colleges, I would request you kindly to expeditiously take the following steps:

(a) obtain required approvals for meeting the upfront payments to BSNL for the 1 Gbps link to NKN and for the LAN and to make adequate budget provision for the same,

(b) nominate a nodal officer whom BSNL / MTNL could contact for these works, and who, in turn, could co-ordinate these activities in the University on your behalf,

(c) identify a 10' x 10' room where the 1 Gbps connectivity could be provided and routers / switches for NKN connectivity and LAN could be placed,

248

19/2

[Signature]

naar

[Signature]

(d) grant permission for laying of cables etc.,

(e) permit Principals of constituent and affiliated colleges of your University to avail of the BBoVPN connectivity at the costs indicated above, and also to consider providing space for erecting mobile tower of BSNL free of cost so as to get optical fibre in the college campus.

3. I shall be grateful for your co-operation in digitally connecting India's educational institutions to make them e-learning enabled in the shortest possible time. In case you need clarifications or assistance, kindly feel free to e-mail to me at the address given above.

With regards,

Yours sincerely,

(N.K. Sinha)

Vice-Chancellors of all the Universities in India.

Dated: 29/01/2010

To

All CGMs (Territorial Circles/ Metro Districts)
CGM (BNW)/CGM (STP)

Subject: Provisioning of 1 Gbps link to universities under NMEICT
Ref.: This office letter no. No: 72-03/09-Broadband (Pt-I)

date 04/12/2009

Kindly refer to letter under reference where in it was intimated that now, the universities work under NMEICT is to be executed. Following points may be noted in this respect:

1. BNW Circle has already uploaded detailed list of universities on the intranet. First list of 127 universities mapped to the NKN node has been received from NIC. These universities are to be connected to NKN node indicated. Concerned (SSAs) shall provide the connectivity to nearest exchange and then the link is to be made through to NKN node indicated. The work for these 127 universities needs to be taken up in the first phase immediately.
2. As far as billing of this OFC work is concerned, following are the broad guidelines:
 - For a transmission link up to 150 km, a flat rate of Rs 2 Cr/University has been accepted by MHRD. This is a one-time charge to be collected for 10 years. BSNL, being a stakeholder would offer a 10% discount on this amount and of the balance amount, MHRD would bear 75% cost & the university would bear 25% cost. This is explained below:

S.No.	Total cost/university	BSNL's share	Ministry's share	University's share
1	Rs 2 Crore	Rs 20 Lakhs	Rs 1.35 Cr	Rs 45 lakhs

- For the Ministry's share, STP shall raise the bill and send it to BNW circle who will compile the total amount. For the University's share, individual circles should raise the bill. Demand raised along with payment details shall be sent by the respective circle to STP.

[Handwritten signatures and initials]

3. As per the understanding with MHRD, free ROW would be given to BSNL for OF works under this project and they would have written to individual state governments for this.
4. Respective circles shall coordinate with the concern regions to facilitate in extending the universities to the nearest NKN Node (Required bandwidth is 1GE). Requirement of transmission equipment if any for the above purpose may be projected to STP for further action at this end.
5. Southern Telecom Project is designated as the nodal circle for overseeing this job of providing OF connectivity to Universities. Nodal Officers from STP are as follows:
 - a) Shri I.N.Y. Prasad, GM (STP)
Contact Nos.: 09440623459(Mobile)
040-23224546(off), 23221444(fax)
inyprasad@bsnl.co.in
 - b) Shri Raja Sekhar, DGM (STP)
Contact Nos.: 09490000248 (Mobile)
040-23224345(off)
dgmofchyd@gmail.com/rajasekhark@bsnl.co.in

With the above instructions, it is expected that the work of extending this connectivity would be taken up expeditiously. The process needs to be completed in the current financial year.

Subject: Extension of NKN Connectivity under NMEICT – reg.

Sir,

Please refer to your letter no CNNCO-12/18/13/2021-EB-I dated 03.02.2022 regarding issuance of Instruction to the Universities for payment of University share.

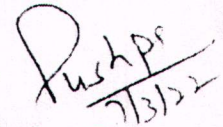

2. It is stated that in NKN Project under NMEICT and by MeitY, 1 Gbps NKN connectivity has been given to 601 universities/higher educational institutes on cost sharing basis of 75:25 and 90:10 (for NER states) ratio. This project was started in the year 2009 with 10 years duration for NKN connectivity, which was ended in December 2019, which was further extended till 31.03.2022.

EFC/Cabinet has approved the NMEICT Phase-III for further five (5) years i.e. from 2021-22 to 2025-26. NKN is also a part of NMEICT Phase-III and all the existing institutions having the NKN connectivity would be provided the connectivity.

3. However, NKN is a product of MeitY and they are working to bring next phase of NKN. In the meantime MeitY has extended existing NKN till 31.03.2023.

4. In view of above, it is requested to inform all university/institutions which have given NKN connectivity under NMEICT that same has been extended till 31.03.2023 with existing terms and conditions. The new rates would be lesser and HELs may pay their share to BSNL accordingly.

5. This issues with the approval of the competent authority.

(Pushpa Gautam)
Under Secretary (TEL)

To

All Concerned Universities.

(MINUTES OF MEETING)

A meeting regarding non-payment of 1Gbps connectivity with the BSNL officials alongwith following officials from SLIET was held in office of Dean(P&D) Administrative Block on 2.4.2012 at 3.30 PM:

Following were present

- 1. Prof. D.C Saxena, Dean(P&D)
- 2. Mr. Damanpreet Singh, HOD(CSE)
- 3. Mr. Birmohan Singh, ASP(CSE)
- 4. Mr. Manoj Sachan, ASP(CSE)
- 5. Mr. R. Mishra, DR(A&A)
- 6. Sh. Resham Lal, DE(T), BSNL
- 7. Sh. Mohinder Singh, SDO, BSNL
- 8. Sh. Gautam, BSNL

Issue regarding non payment of 1Gbps connectivity was discussed in details.

A letter sent by BSNL, dated 13.3.2012 was seen by all the members and it was opined that since the BSNL had not authorized Mr. P.K. Garg, DE(T) for taking any decision regarding payment mode of Mbps leased line, the minutes of meeting dated 8.9.2010 be treated as cancelled.

The project has been initiated by MHRD itself and paid 75% of the total project cost to the BSNL and also several state and central universities has paid their share i.e. 25% of the total project cost to the BSNL.

It was decided that the payment to the BSNL may be made by SLIET for the services obtained till 31st March, 2012, for this a Demand Notice will be submitted by BSNL at the earliest.

4. The balance amount may be paid in 3 installments and a proposal for this will be prepared by ~~DR(A&A)~~ ^{the Nodal Officer in this case} in consent with Mr. Manoj Sachan, I/c Networking to submit the same to MHRD for allocation of funds in this head, through DR, A&A. *MDL*

5. Since the payment will be made in advance, an assurance must be given by BSNL for uninterrupted services throughout the period of project. In case, the services are interrupted for any period of time in future, the services may be extended for that particular period to SLIET.

6. A copy of terms and conditions/agreement between BSNL and MHRD will be submitted to SLIET by the BSNL for information and record.

The meeting ended with vote of thanks to the chair.

Subject: Installation & commissioning of internet leased line services.

Please refer to your quotation dated 17.10.2020 and negotiation meeting held on 27/11/2020 submitted against above cited subject. Your rates have been considered and approved. We are pleased to place order with you for installation & commissioning of internet leased line as per detail and terms & conditions mentioned below:

Sr. No.	Description of item	Amount (Rs.)
01.	Charges for Internet Bandwidth 30 Mbps (Annual charges)	1,45,000.00
02	One time installation charges	25,000.00
	Total (Rs.)	1,70,000.00
	GST @18%	30,600.00
	Gross total (Rs.)	2,00,600.00

(Rs. Two Lac six hundred only)

TERMS & CONDITIONS

To avoid any delay for release of payment comply with the terms & conditions as given below.

- 1) Rates are net and FOR SLIET, Longowal.
- 2) Installation & commissioning will be done by your Engineers at SLIET campus. All charges related to freight, insurance, complete labour, installation & commissioning, lodging and boarding are inclusive in the above cited rates.
- 3) The payment shall be made as follows:
One time charges after successful commissioning of internet leased line.
Annual charges on quarterly basis based on satisfactory performance.
- 4) GST is charged extra @ 18%, hence, the following certificate should be appended on the bill.

"Certified that the goods on which goods and service tax has been charged are not exempted under the GST act and that charges on account of goods tax are as per provision of the Goods and Service tax act".

In absence of non-submission of this Certificate payment towards IGST will not be considered.

- 5) Prior intimation to Faculty I/c (ACSS) of your team's visit in SLIET, Longowal is must. Contact no. of FI (ACSS) is 01672-253607 & Mobile no. 9464096000.
- 6) The installation & commissioning of material shall be done immediately but not later than 2-3 weeks from the date of issue of supply order. (Excluding 04 days as grace period to receive the mail).
- 7) For making the payment of your bill by online mode you are required to submit RTGS detail on the bill itself.
- 8) Institute's GST number is 03AAAAL6685R1ZZ which must be clearly mentioned in the e-way bill & tax invoice.
- 9) **LIQUIDATED DAMAGES:** In case you fail to deliver the consignment within the period prescribed for such delivery or dispatch, stipulated in the supply order, the delayed consignment will be subject to liquidated damages equivalent to 0.5 (Half) per cent of the price of any portion of stores delivered late, for each week or part thereof of delay. The total damages will be up to 10 (Ten) per cent of the value of delayed goods. No recovery of penalty will be made if the delayed supplies are accepted by extending the delivery period by the competent authority.
- 10) Bill (in duplicate) duly supported by relevant original cash receipt for packing, forwarding, freight, e-way bill etc. may be sent to the consignee. **Tax Invoice must show the same description as given in the supply order.**
- 11) The Director reserves the right to cancel the order without assigning any reason. In case of any dispute, the decision of the Director, SLIET shall be final & binding on both parties. All disputes will be settled within the jurisdiction of the Head Quarter of Director, SLIET.
- 12) Non acceptance of this order shall be conveyed to us within 15 days of its receipt, failing which unconditional acceptance thereof by you will be deemed conclusive.

Kindly acknowledge the receipt and arrange to execute the order at the earliest possible.
